SUBJECT ENRICHMENT ACTIVITY PLANNER:

Subject enrichment activities aim to deepen subject knowledge, enhance critical thinking, and improve practical skills. They promote creativity, boost communication and presentation abilities, encourage research and inquiry and support holistic development by integrating theoretical learning with real-life application. The monthly activities are designed to enhance students' creativity and knowledge about significant days and themes of each month. These activities are integral to our curriculum and contribute to internal marks as per CBSE guidelines.

Guidelines:

- Students may use school-provided inputs and guidelines on how to execute the activity or base their work on their own knowledge and ideas.
- Completion of the activity is mandatory for all students.
- For lower grades, parents are encouraged to support their children in the process of completing the activity. However, parents should only provide guidance and not complete the activities for their children.
- The completed activities will be monitored and evaluated as part of the internal assessment marks.
- Each activity should demonstrate creativity, understanding of the topic, and personal input from the student.
- Completed activities will be displayed on the school and classroom flannel boards.
- This display aims to showcase the creative abilities of students and their understanding of various subjects beyond the standard curriculum.
